A Message from the Board of Directors

Thank you for helping make Forest Creek a safe, attractive, and welcoming community. Please stay engaged by attending board meetings, visiting the community website, and submitting service requests or issues that need addressed online at www.forestcreekjax.com

HURRICANE SEASON

Hurricane season runs June 1 through November 30.

- Review emergency plans, know evacuation routes
- Maintain emergency supplies
- Refill medications
- Secure outdoor furniture before storms.
- Stay informed through www.jaxready.com

GET INVOLVED

If you are interested in getting more involved in our community and helping us to plan social events to get to know each other, let Shawna know.

We are always looking for residents to volunteer and help us make Forest Creek a great place to live.

COMMUNITY REMINDERS

Service Requests

Submit all maintenance and service requests through the community website: www.ForestCreekJax.com.

Online submissions help management track and resolve issues efficiently.

Compactor

The compactor is for normal household trash only. Construction debris, furniture, appliances, and oversized items must not be left in or around the compactor area.

Grill Safety Reminder

Grills must be used at least 10 feet from buildings, never on balconies or walkways, and should be stored inside garages when not in use.

OHV Reminder

Dirt bikes and off-highway vehicles may not be operated on community streets, sidewalks, common areas, or green spaces.

Community Updates

Extended Water Line

We are looking into an option for owners to extend their water line to the end of the garage area for ease of washing cars. We'll keep you posted once we have options for owners to consider.

Your Board of Directors

Thank you for helping us to make Forest Creek a safe and beautiful place to call home!
