

New Landscapers!

We are excited to introduce our new landscape company, Rockaway Environmental Services of Atlantic Beach.

We will be working with them not only to maintain our community, but to address several ongoing issues and to beautify our community over the coming year.

FROM THE BOARD OF DIRECTORS

Thank you for helping make Forest Creek a safe, attractive, and welcoming community. Please stay engaged by attending board meetings, visiting the community website, and submitting service requests or issues that need addressed online at www.forestcreekjax.com

WELCOME PACKET

We have a new welcome packet on our website that will provide you all the necessary information for living in Forest Creek.

MULCH

We are aware of the frustration on how our community looks right now.

Rest assured, our new landscape company will be installing mulch in our community in the coming weeks.

Thank you for your patience during this transition.

WATER ACCESS

If you are interested in having access to water near your garage / driveway, we have an approved vendor that has installed a spigot near the garage door in our community with great results.

Christian Brothers Plumbing

Call **904-551-1914** to request your free estimate.

HAVE IDEAS?

We have added a new form on our website under "Forms" (see Owner Suggestions & Ideas).

Our goal is to hear from members on ideas to bring our community together. Whether you have an idea for a neighborhood social, a fun activity, a new way for neighbors to connect, or simply something you'd enjoy seeing in our community, please share it with us.

Your suggestions can help us create more opportunities for neighbors to meet, connect, and enjoy our community together. We look forward to your ideas!

FALL 2026 NEWSLETTER

COMMUNITY REMINDERS

Board Meetings

Meetings are held on the **4th Thursday of each month**. Check the board by the mailboxes or website for any date or location changes.

Time: 6:00pm

Grace Lutheran Church
12200 McCormick Road
Jacksonville, FL 32225

Lighting / Cameras

Residents wishing to add lighting to their garage may do so under an existing resolution. Please review the resolution on our website under **Documents > Rules and Regulations**.

We are also working on a resolution regarding security cameras and will share more information soon.

Service Requests

Submit all maintenance and service requests through the community website:

www.ForestCreekJax.com. Online submissions help management track and resolve issues efficiently.

Pool Access

Pool access is handled by the Master Association. Please contact TPAM at 904-295-3921 or customerservice@tpam.biz for access.

OHV Reminder

Dirt bikes and off-highway vehicles may not be operated on community streets, sidewalks, common areas, or green spaces.

Your Board of Directors

John Biello – President
Stacey Wanner – Vice President
Holly Fritz – Secretary
Patrick Sloan – Treasurer
Kira Sikes – Director

Thank you for helping us to make Forest Creek a safe and beautiful place to call home!

www.forestcreekjax.com

Compactor

The compactor is for normal household trash only. Furniture, large boxes, blinds or other small items are to be placed inside the large doors of the compactor area.

Please be sure to place items all the way in the back to allow room for others. Construction debris, appliances, and other oversized items must be hauled away by your contractor.

Entrance Gates

If you encounter issues with the gate or keypad, please contact Elim Services at 904-241-8886. Entry FOB's are available to purchase please scan this QR code to access the form.
